

Learning Science  
While Having a Lot of Fun!

## Little Volcanoes Science Club

AUTUMN TERM 2023

Moss Hall Juniors School

Learning  
While  
Having  
Fun!

*Little Volcanoes Science Club is for all clever explorers and curious minds that are ready to learn science in a fun way!*

Children will learn a variety of scientific topics across Biology, Chemistry, Physics, Astronomy, Geography and History while having a lot of fun. They will develop their analytical, practical and social skills; enjoy sensory and hands-on activities; and expand their vocabulary while learning about the world around them. Children will learn to make predictions, carry out simple experiments following instructions and a lot more. Each lesson is a unique combination of interesting experiments and a variety of hands-on activities with drama, puppetry and singing. It is led by an enthusiastic and highly qualified teacher with 24+ years teaching experience.

TOPIC: "Super Science" Element Hunt and Crystal Making, Periodic Table, Famous Scientists and Inventors, Static Electricity and Electricity, Gases and Plasma Ball, Extreme Weather, and more...

Year	Y3,Y4, Y5
