

**Quality Advanced Hands-On
Science for All Explorers!**

Little Volcanoes Science Club

SPRING TERM 2026

Moss Hall Infant School

Little Volcanoes Science Club is for all little explorers and curious minds that are ready to do something different!

Each lesson is a unique combination of interesting experiments and sensory hands-on activities with drama, puppetry and singing. It is led by an enthusiastic and highly qualified teacher with 25+ years teaching experience. Children will learn a variety of scientific topics across Biology, Chemistry, Physics, Astronomy, Geography and History, while having a lot of fun. They will develop their analytical, practical and social skills; learn through sensory and hands-on activities; construction toys and using specialised science equipment. Children will expand their vocabulary while learning about the world around them.
