Ancient Civilizations"**

**"Animals and Plants of the
UK"**

"Kitchen Science"

**"Earth and Magnetic
Field"**

"Famous Explorers"

and much more

Little Volcanoes Science Club is for all little explorers and curious minds that are ready to do something different!

Each lesson is a unique combination of interesting experiments and sensory hands-on activities with drama, puppetry and singing. It is led by an enthusiastic and highly qualified teacher with 25+ years teaching experience. Children will learn a variety of scientific topics across Biology, Chemistry, Physics, Astronomy, Geography and History, while having a lot of fun. They will develop their analytical, practical and social skills; learn through sensory and hands-on activities; construction toys and using specialised science equipment. Children will expand their vocabulary while learning about the world around them.
