

Learning Science
While Having a Lot of Fun!

Little Volcanoes Science Club
AUTUMN TERM 2024
Moss Hall Infant School

TOPICS:
"World of Mini Creatures"
"Fascinating Solar System"

Little Volcanoes Science Club is for all little explorers and curious minds that are ready to do something different!

Each lesson is a unique combination of interesting experiments and sensory hands-on activities with drama, puppetry and singing. It is led by an enthusiastic and highly qualified teacher with 24+ years teaching experience. Children will learn a variety of scientific topics across Biology, Chemistry, Physics, Astronomy, Geography and History, while having a lot of fun. They will develop their analytical, practical and social skills; enjoy sensory and hands-on activities; and expand their vocabulary while learning about the world around them.
