

Welcome to Moss Hall Monthly *February*

Friday 28th February 2025

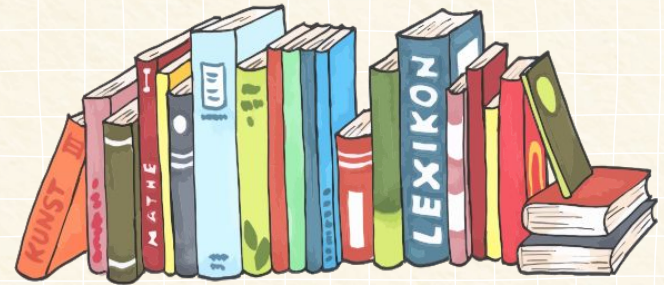

Fundraising club's book sale

Fundraising club is doing a book sale to raise money for Halo. This charity is helping people who have been affected by war. The books should be in good condition. Please donate books for our sale.

The sale is on Friday 14th March at 3:15pm in the junior school playground.

Thank you

Fundraising club

Eco club

For the past few days we (eco club) have been collecting flexible plastics. These plastics that are scrunchable, such as food wrappers.

Play your part in helping the environment! Bring in flexible plastics to deposit in the year group collection points.

Make a difference today!

Our Brilliant Club graduation at Oxford University

At the end of last half term, our Brilliant Club children were invited to Oxford University, Keble College, to attend their graduation. The day was a wonderful celebration of all the hard work the children had put into the course. We had a tour of the college, ate lunch in the dining hall - it looked like the Great Hall in Hogwarts- and celebrated with students from lots of other schools. We learnt that Oxford University is for students just like us if we work hard. We had a wonderful day and made Moss Hall very proud.

House Captain Updates:

Anna - Double house point day

On Friday 14th of February, the House Captains arranged a double house point day to encourage everyone to work hard and get double the amount of house points than normal. This is also nice for the teachers as everyone tries their very best in class and gets two trackits instead of one each time. The teachers encouraged the children to be on their best behaviour. By the end of the day, many children had earned lots more points than usual and this encouraged them to get more house points in the future.

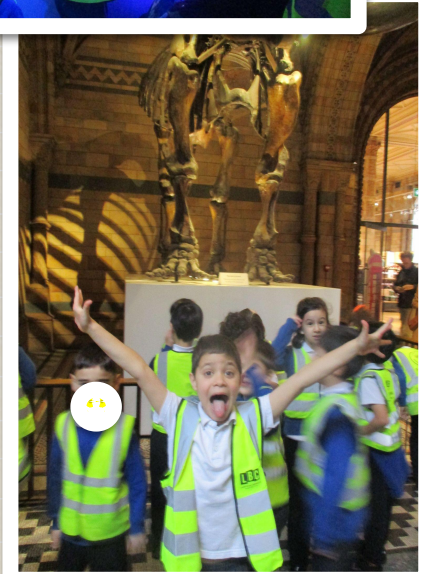

Sam - Staff houses

Recently, the House Captains have put all the teachers into houses: Glennie, Zephaniah, Ennis Hill, Malala, Attenborough and Turing. Our idea was that if each teacher had a house, they could motivate children to be better behaved so that their house can win the end of term reward for most house-points.

Year 2 Natural History Museum

Year 2 had an exciting trip to the Natural History Museum, where we explored fascinating fossils, met ancient dinosaurs, and learned about various mammals. This adventure connected to our Geography lessons on habitats, and we deepened our understanding by participating in the Ocean Habitat workshop, where we discovered the wonders of underwater ecosystems. It was a fantastic way to bring our learning to life!

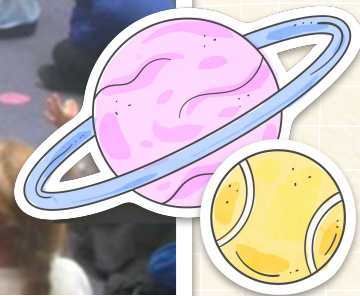

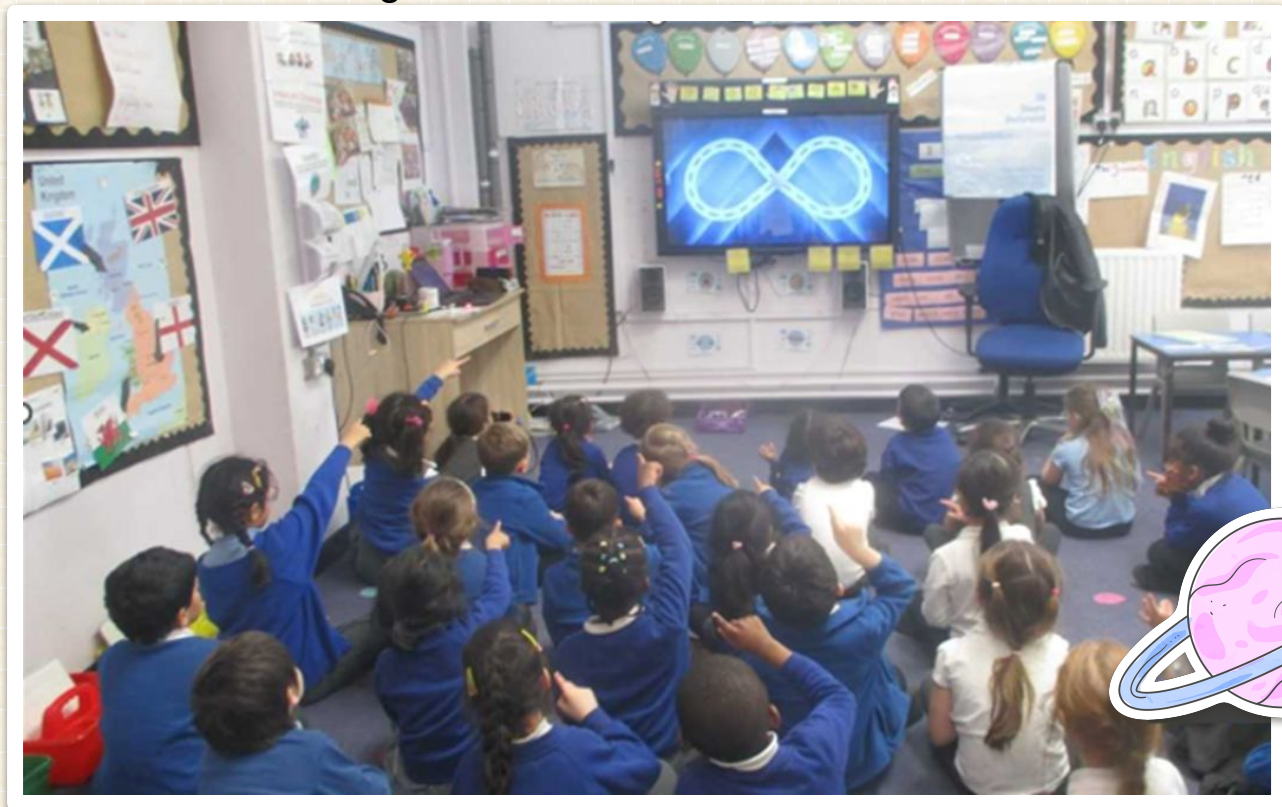

On Tuesday 11th February our Year 2 violinists performed in their very first violin concert. They showcased a range of skills that they have been learning such as pizzicato, playing with the bow, reading music, playing open strings and using their fingers, some solos and playing as a large group.

Well done to our amazing violinists!

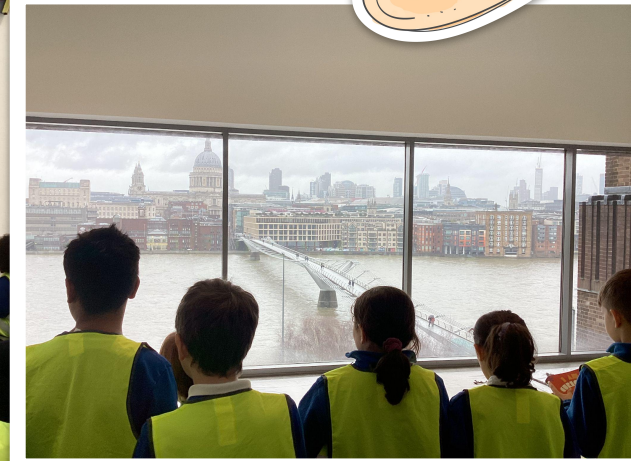

In support of Children's Mental Health Week (3 - 9 Feb), the children were engaged in a number of class activities. The theme was 'Know yourself, Grow yourself', and this helped the children understand the importance of recognising how they feel and how to make good choices in connection with their feelings and behaviours. We looked at some breathing techniques to assist with self-regulation.

Year 5 trip to the Tate Modern

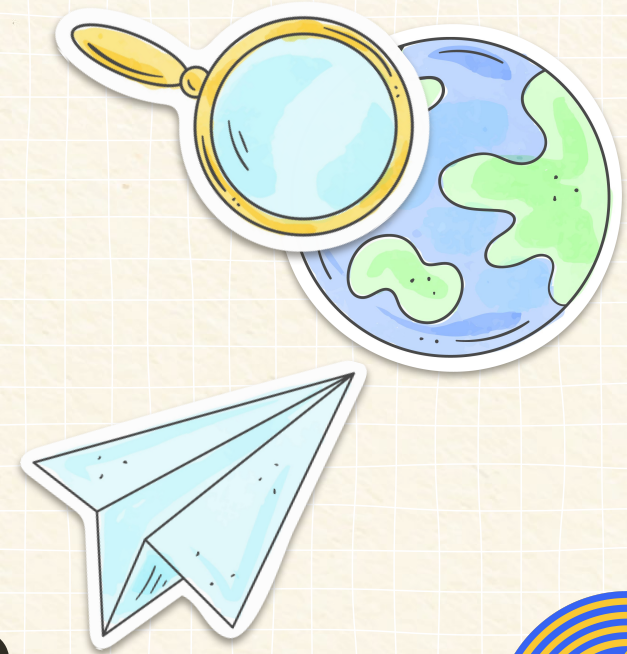

Year 5 went on an amazing trip to the Tate Modern Gallery. We went on a lovely scenic route along the Thames and spotted many iconic London landmarks on the way. We visited many exhibitions and saw amazing pieces of art including some by Roy Lichtenstein and Andy Warhol which was great inspiration for our topic of pop art in Art.

Moss Hall Monthly Useful Information

Breakfast Club

Academic Year 2024-2025

Breakfast club is open to all children at both Moss Hall Schools from Reception to Year 6. The club hours are from 7.30 am to 8:50 am every morning (term time only) after which the children would be taken to their respective classes.

Healthy Breakfasts

As part of our commitment to healthy eating at Moss Hall, the breakfast club offers porridge, toast, bagels, sugar free cereals, milk, fresh fruit and freshly made smoothies.

Breakfast is served between 7.30 am - 8.25am. If your child arrives after 8.25am, please make sure they have breakfast at home.

Breakfast Club Activities:

Children are offered a wide range of activities, including board games, drawing, arts and crafts, sports and construction toys. Guided activities include:

- Monday - Team Games
- Tuesday - Sensory Den
- Wednesday- Mini Engineers
- Thursday - Yes Chef
- Friday - Gymnastics

Children are supervised to play outside within school grounds, weather permitting.

How to Apply:

To apply for a place in our Breakfast club, we require parents to **complete the online registration form** on our website at www.mosshall.school

<https://www.mosshall.school/parents/after-school-and-holiday-childcare-moss-hall-playcentre/>

Please email the completed form to: mhfbreakfast@mosshalljnr.barnetmail.net
